13 Night Terrors: An Anthology of Horror and Dark Fiction is the best so far of these anthologies. I'm reviewing this book as a whole as each story was just as twisted, creepy and terrifyingly good as the next. Having read the first two i knew i was in for a great read but i wasn't expecting this captivating mind twisting read of Mommy Issues!!

Scare Street (scarestreet.com) has put out another great read in Night Terrors, Vol. 2, this anthology of short horror stories. 13 short stories with enough variety to satisfy any taste. Perhaps not as "bone-chilling" for some as it would be for others, yet that in itself makes it more accessible for teen readers as well as mature readers. It is difficult for me to review an anthology without mentioning something of each story.
