~~Answer: To “walk in the light” is a common metaphor within Christian culture. It is often taken to mean “acting correctly” or even “living openly.”. Biblically, however, the phrase has the idea of relinquishing sin by following Jesus. The only Old Testament occurrence of this precise phrase is in Isaiah 2:5, “O house of Jacob, come and let us walk in the light of the Lord.”.~~

~~In this long awaited follow-up to the best-selling An Altar in the World, Barbara Brown Taylor explores ‘the treasures of darkness’ that the Bible speaks about. What can we learn about the ways of God when we cannot see the way ahead, are lost, alone, frightened, not in control or when the world around us seems to have descended into darkness?~~

~~New York Times Bestseller From the New York Times bestselling author of An Altar in the World, Barbara Brown Taylor’s Learning to Walk in the Dark provides a way to find spirituality in those times when we don’t have all the answers. Taylor has become increasingly uncomfortable with our tendency to associate all that is good with lightness and all that is evil and dangerous with darkness. Doesn’t God work in the nighttime as well? In Learning to Walk in the Dark, Taylor asks us to put aside our fears and anxieties and to explore all that God has to teach us “in the dark.” She argues that we need to move away from our “solar spirituality” and ease our way into appreciating “lunar spirituality” (since, like the moon, our experience of the light waxes and wanes). Through darkness we find courage, we understand the world in new ways, and we feel God’s presence around us, guiding us through things seen and unseen. Often, it is while we are in the dark that we grow the most. With her characteristic charm and literary wisdom, Taylor is our guide through a spirituality of the nighttime, teaching us how to find our footing in times of uncertainty and giving us strength and hope to face all of life’s challenging moments.~~

~~God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.~~

~~How to Walk is the fourth title in Parallax’s popular Mindfulness Essentials Series of how-to titles by Zen Master Thich Nhat Hanh, introducing beginners and reminding seasoned practitioners of the essentials of mindfulness practice. Slow, concentrated walking while focusing on in- and out-breaths allows for a unique opportunity to be in the present. There is no need to arrive somewhere—each step is the arrival to concentration, joy, insight, and the momentary enlightenment of aliveness. When your foot touches the Earth with awareness, you make yourself alive and the Earth real, and you forget for one minute the searching, rushing, and longing that rob our daily lives of awareness and cause us to "sleepwalk" through life. Thich Nhat Hanh shares amusing stories of the impact mindful walking has on both the walker and those who notice him, and shows how mindful walking can be a technique for diminishing depression, recapturing wonder, and expressing gratitude. Pocket-sized, with original two color illustrations by Jason DeAntonis, How to Walk k is a unique gift for all ages, sharing a simple practice that can have a profound effect on practitioners.~~

~~The first book in the inspiring New York Times bestselling series about an executive who loses everything he holds dear and embarks on a walk across America that changes his life forever. What would you do if you lost everything—your job, your home, and the love of your life—all at the same time? When it happens to Seattle ad executive Alan Christoffersen, he’s tempted by his darkest thoughts. Instead, he decides to take a walk. But not any ordinary walk. Taking with him only the barest of essentials, Alan leaves behind all that he’s known and heads for the farthest point on his map: Key West, Florida. The people he encounters along the way, and the lessons they share with him, will save his life—and inspire yours. A life-changing journey, both physical and spiritual, The Walk is the first of an unforgettable bestselling series of books about one man’s search for hope.~~

~~Part inspiration, part information narrative for our story is based on walking meditation, also known as mindful walking; an active practice that requires you to be consciously aware and moving in the environment rather than sitting with your eyes closed. Just as The Life-Changing Magic of Tidying Up, Marie Kondo's mega-selling book (over 4 million copies sold worldwide) provides readers with a life/spiritual philosophy embedded in the how-to of minimalism (with practical tips for de-cluttering of one's home), A Walk in the Wood provides a narrative grounded in the simple act of slowing down, observing what is around us, and being present. Appealing to adults who are actively searching ways to join the JOMO movement (Joy of Missing Out and being content just "being"), A Walk in the Wood also makes for a perfect gift for stressed-out family members and friends.~~

~~A Walk in the Forest is a stunning invitation to discover the woods as a place for both imaginative play and contemplation: collect pinecones, feathers, or stones; follow the tracks of a deer; or listen to the chirping of birds and the whisper of trees. Build a shelter and play hide-and-seek. Pretend the woods are a jungle, or shout out loud to stir up the birds! The forest comes alive in all its mysterious glory in Maria Dek's charming watercolor images and poetic text.~~
