Learn to Serge with Confidence! Expand your skills beyond those using a traditional sewing machine to discover these ease and versatility of creating wonderful projects with a serger instead. Renowned author and sewing expert Nancy Zieman shows you everything you need to know about serging through easy-to-follow instructions featured in *Serge with Confidence*. First build your confidence by learning the basic techniques and tools needed on your way to serging success, and then put those skills to use by creating one of the many showcased projects. Whether you are a beginning serger or you have been using your machine for years, *Serge with Confidence* is the No. 1 resource to have on hand in your quest for serging excellence. You'll find:

- Comprehensive overview of a serger and how to use it
- Overview of the types of stitches available, products and tools
- 18 inspirational projects, from wardrobe pieces and accessories to home decor, and holiday ideas, all fully illustrated and beautifully photographed
- Through guide to keeping your serger running smoothly and trouble-free

No other book on the market demonstrates how to create designer pillows! Affordable elegance - many quality sewing machines cost \$200 or less and can easily be used to create vibrant high-style items This exquisite sewing guide helps you gain confidence in your own creativity, and truly believe your favorite sewing machine has unlimited potential. Skilled designer and charismatic sewing instructor Christopher Nejman demonstrates, in 200+ color photos, how to utilize sewing machines and creative techniques to create 15 stunning designer pillows. In addition, you'll also gain instruction for using different threads, fabrics, needles, decorative stitches, embellishments, and presser feet to create high-end designs for the home.

Let your quilting creativity soar with these magical machine techniques! Are you using your sewing machine to its fullest creative capacity? Do you know what each foot can do? Expand your repertoire with machine techniques, embellishment, surface design, and thread painting skill, thanks to your sewing machine. Nine highly qualified, experienced sewing machine educators have developed 13 delightful projects to show you how to make the most of your machine's technical possibilities. From pillows to bed scarves, from wallhangings to table runners, any quilt will benefit when its creator uses these techniques.

Helps you learn how to use your embroidery machine to its fullest potential. This title contains tips and techniques for producing creative designs.

This oversized lift-the-flap board book of a child's first 101 words has big, clearly labeled photos of objects in a baby and toddler's world with an interactive puzzle activity on each spread. Identifying

words and their meanings is an important foundational step in language development for babies and toddlers, and Highlights brings Fun with a Purpose® into this essential learning. Babies will love looking at and naming the photos in this sturdy book, while toddlers and parents will enjoy the lift-the-flap questions and answers that help them find the cute red bird hidden on each spread.

Sandra Betzina's tried and true--and easy to do--techniques for creating clothes that fit and flatter your unique shape.

Presenting thirteen step-by-step projects, this book teaches a unique quilting method where fabric and batting pieces are quilted first before they are sewn together into reversible quilts using folding and topstitching techniques. Original. 20,000 first printing.

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.
