OCR Gateway GCSE Sciences is designed to engage every student and stimulate their interest in science. This course provides all the help and support you need to teach the specifications. It also provides comprehensive exam

preparation and assessment to help your students understand what is expected of them and improve their grades.

Exam Board: AQA Level & Subject: GCSE Biology First teaching: September 2016 First exams: June 2018 AQA approved

These new resources have been written to match the 2016 OCR GCSE Gateway Science (9-1) specifications. Built-in assessment and differentiation supports students of all abilities and makes progress tracking easy. Maths skills and practical skills are developed throughout with ramped practice questions and differentiated learning outcomes.

Exam Board: OCR Level & Subject: GCSE Combined Science First teaching: September 2016 First exams: June 2018 OCR endorsed GCSE Science is changing and OCR Gateway GCSE (9-1) Physics for Combined Science from Collins has been developed to embed the skills your students need to succeed in all three assessment objectives, while providing a clear and supportive route through the new, more challenging GCSE content. * Each spread starts with language and ideas at a lower level and increases in complexity, engaging students of all ability levels * Key concept spreads highlight knowledge that students must grasp before they can move on * Dedicated pages on analysing, interpreting and evaluating practicals, so students are fully prepared for the indirect assessment. * Maths activities at the appropriate level are embedded throughout, along with Maths skills pages that focus on developing the skills needed for each topic * Prepare students for the demands of the new specification with differentiated questions, worked examples and lots of opportunities to practice * Co-teach both Foundation and Higher tier with a single book (the Higher-only content is clearly flagged).

These new resources have been written to match the 2016 OCR GCSE Gateway Science (9-1) specifications. Built-in assessment and differentiation supports students of all abilities and makes progress tracking easy. Maths skills and practical skills are developed throughout with ramped practice questions and differentiated learning outcomes.

Written by curriculum and specification experts, this Student Book supports and extends students through the new course while delivering the breadth, depth, and skills needed to succeed in the new AS and beyond. It develops true subject knowledge while also developing essential exam skills.

The OCR Gateway GCSE Science Student Book is clear and accessible to help your students develop clear scientific knowledge and understanding. It caters for your students of all abilities, with differentiation on every spread and Higher tier content clearly highlighted.

Exam Board: OCR Level & Subject: GCSE Chemistry First teaching: September 2016 First exams: June 2018 OCR endorsed
