Rough and Rugged is the third book in the Notorious Devils MC series by Hayley Faiman. It's inevitable that Hayley brings me to tears a time or two with each book. Dirty Johnny, well the name speaks for itself. He is very very dirty. The kind of dirty you just dream about being. He wants a sweet woman to give him babies.

Wow! Of course, I'd pick the final book in the series to read as a standalone and an introduction to the author. She's been on my TBR for a long time, and I'm glad I finally found the time to check her out.

Rough & Ready (Notorious Devils Book 5) ... raw and gritty. I loved that it wasn't perfect and they had their ups and downs but in the end they pulled through. No relationship is perfect and I think this author does a great job and portraying real life issues with love. Cant wait for what's next!!
