The Family Book Read Aloud - YouTube
The Family Book is a children's picture book written and illustrated by Todd Parr, which focus on the definition of family and what constitutes a family. This book explores a myriad of families and validating each and every one is accepted. The text is simplistic and flowed rather well making the story a quick read. What is different about this book is that it depicts the family not just from its members, but what they do, where they live, and how they live.

Families can look like many things. When I was a child, children's books either depicted homogenous, white families with two to three children doing family things, or a family of animals with two to three children doing family things. Rarely were children's books published that showed the wide variety and realities of family life.
