Theoden Sura the death merchant, Prince of the city, devoted son of king Ara and Father and grandfather to all his children. This is the Theoden we know of since I started reading the new haven series where I was thrust into the land of sinfully deadly vampires, dragons and werewolves and where only the fittest and cleverest survive.

Theoden bowed to Ara's dominion as his sire relatively easily; there was a bit of conflict with his sibling—which exists even into the New Haven series; and a spattering of incidents that take us from the beginning of his journey (with quite a lot of feeling) to the end (with much less) without really revealing the growth of character necessary to get him there.

Check out this great listen on Audible.com. Lord Théoden has been given orders by King Ara to carry out under his new position, which goes against his desires. Noel, on other hand, has to figure out how to navigate his new life as an enforcer under the King's merciless decree and Marco's sa...

My name is Theoden, this is the story of my life. Apparently, there has been a huge demand for me to tell it. Normally, I do what I want, unless the command comes from my Sire, Ara. But, revealing the tale about how I became the powerful vampire Prince of the City is something I think I will enjoy telling. You'll see my first mission for the church, my first kill, the life-changing moment when I lost my virginity, and how I chose my first son, all of the things that mean something to me, that made me the vampire I am. So, sit back, and give me all of your attention, as I want your eyes on me. Now, let's begin.

Follow Noel, a captured rebel of the human Resistance, as he endures his punishment at the hands of his supernatural enemies, the vampires. See where his fate lies. Highly erotic and extremely dark and twisted. Prepare yourself "I've been betrayed by someone I trusted. Because of him, I was captured by my loathed enemy: The vampires. Right now, the sun is still high in the sky, but I know when it sets, I'm as good as dead. They can't wait to get their fangs into me. I guess some would say I have it coming. I did raise a lot of hell with my Resistance crew, and I was planning on raising a hell of a lot more at dawn before I was sold out by Jonah. The vampires, werewolves and dragons, have been trying to track me down for months and I'd always been two steps ahead of them. I guess my number is up. I just hope they make it quick. You see, the vampires in my reality aren't the romantic lot you read about in books. They don't sparkle or hang out at high schools with their teenage girlfriends. Hell no, vampires are brutal, calculating, sadistic and bloodthirsty. As a matter of fact, all of the monsters are! That's how they were able to take over the world so easily and change an entire civilization to suit their needs. Whatever happens, I know it's not going to be pretty, so I'm preparing myself for the worst. May God help me."

Warning: This novelette series contains hardcore sexual situations between men, not meant for sensitive eyes. I'm talking crude, lewd and full of attitude. This series will most likely either offend you or get ya revved up. This series isn't going to be pulling any punches whatsoever, so you've been warned. Mature Adult Content meant for readers looking for something dark, taboo, sexy, and unapologetic in their paranormal erotica. This is NOT a romance.

Deacon has set certain deadly wheels spinning into motion with his plan to manipulate Theoden into helping him take over Josef's territory. Will he be successful, or will all hell break loose on everyone involved? Highly erotic and extremely dark and twisted. Prepare yourself. Warning: This serial contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. The vampires are not misunderstood, hopeless romantics looking for love. The werewolves are not cute and cuddly and the dragons aren't the ones from your childhood. This is NOT a romance.

Prince Theoden is now finally able to preside over his city now that King Ara's decree as been fulfilled. However, things may not run as smoothly as he'd like, considering Deacon has other plans for him and his vampires. The wolf Alpha desires more territory, and he's willing to manipulate and kill anyone to get what he wants. Noel, has his plate full becoming a Father to a willful son, as well as his training with Marco to be a General. Not to mention being used in negotiations by his Father, the Prince. There's never a dull moment in New Haven. Highly erotic and extremely dark and twisted. Prepare yourself. Warning: This book contains strong adult content not meant for sensitive eyes. This book is filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. Anyone who is anybody already knows who I am. Everything I have in life, I had to work hard to get it. Nothing ever came easy for me, but my trials and tribulations made me the powerful, Alpha werewolf I am today. Nobody crosses me and lives to brag about it. Nobody. But, I wasn't always this way, there was once a time when I saw a different life for myself. Join me on this tale as I recount the events of my journey that changed me forever. You know you want to. Nothing will prepare you for this story, so just strap in and hold on tight. Warning: This series is highly addictive, and fans have complained that it's all they can think about, oftentimes re-reading each book until their next fix. Reader Advisory: 18 and older. Content may be sensitive to some readers, discretion is advised.

Come and Get me continues the epic sexual and dark adventures from the New Haven Series with new and old characters point of views. Everyone has an agenda and these supes do not care who they have to kill to get what they want. This

series contains extremely graphic content meant for mature readers.

This series is the continuation of the highly addictive and groundbreaking best-selling New Haven series. Ever evolving with more foul plots, backstabbing, and bloodshed.

It was my lunch break, so why did I have to pullover the jerk speeding down the street in an Aston Martin? If ever there was a time to look the other way, that was the moment, but ignoring crime in progress isn't my thing. My name is Brian Cordero, a cop with the Alandale Police Force and I had no idea just how much my life was going to change the instant my fingers brushed Raphael Ledeo's. Now, I've been turned from human to demon, and that is just the beginning of this heap of trouble I've gotten myself into. Turns out, there are eight gates to hell, and one of them--the worst one--is open and a secret demon-hunting organization wants my help to close it. I'm in way over my head and it doesn't help that the demon inside of me lusts for the demon inside of Raphael, a man I'd rather steer way clear of. God, will I be able to resist the temptation and get used to my new demon life? I just don't know. Warning: This volume contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy, steamy and even a little romantic scene between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. These demons play hard and they fight dirty.

The Treason of Isengard is the seventh volume in Christopher Tolkien's History of Middle-earth and the second in his account of the evolution of The Lord of the Rings. This book follows the long halt in the darkness of the Mines of Moria (which ended The Return of the Shadow) and traces the tale into new lands south and east of the Misty Mountains. Tolkien introduces us to Lothlorien, land of the elves, where we meet the Ents, the Riders of Rohan, and Saruman the White in the fortress of Isengard. In brief outlines and penciled drafts dashed down on scraps of paper are the first entry of Galadriel; the earliest ideas of the history of Gondor; and the original meeting of Aragorn with Eowyn, its significance destined to be wholly transformed. Conceptions of what lay ahead dissolve as the story takes its own paths, as in the account of the capture of Frodo and his rescue by Sam Gamgee from Minas Morgul, written long before J.R.R. Tolkien actually reached that point in the writing of The Lord of the Rings. A chief feature of the book is a full account of the original Map, with drawings of successive phases, which was long the basis and accompaniment of the emerging geography of Middle-earth. An appendix describes the Runic alphabets of the time, with illustrations of the forms and an analysis of the Runes used in the Book of Mazarbul found beside Balin's tomb in Moria.
